has set up and maintains a management system pursuant to  
EU Regulation no. 305/2011 of the European Parliament and the Council of 9 March 2011 for the establishment of harmonised conditions for the  
sale of construction products for:

***The supply of metal components in carbon steel and stainless steel for agricultural,  
industrial, private and public applications  
in accordance with technical implementation standard EN 1090-2:2008 + A1:2011,  
implementation classes up to EXC3  
and the methods of declarations of performance 1, 2, 3a and 3b.***

This certificate is based on the results of an initial inspection that has been documented in assessment report  
**VIL/EXT/32/6043587102/00NL/002**

Certificate number: **0026-CPR-0056**

Valid from 26 May 2015

Cycle envisioned for continual supervision: **1, 1, 2, 3, 3, etc. years**

AIB-Vinçotte International nv has performed an initial inspection of the manufacturer and guarantees the continual supervision, assessment and approval of the Factory Production Control that is imposed under the EN 1090-1 + A1:2012 standard. This certificate confirms that all of the respective provisions concerning the certification of performance described in annex ZA of the standard are being applied. This certificate will remain valid as long as there are no substantial changes to the conditions specified in the reference standards, the circumstances of production in the factory or the Factory Production Control programme.

Further clarification on the scope of this certificate and the applicability of the requirements of the FPC certificate can be obtained from the organisation.

This certificate is issued subject to compliance with the General Conditions and the General FPC Regulation of AIB-Vinçotte International nv.

**An accompanying FPC welding certificate with no. 0026-CPR-0056-W will be issued.**
